REGARDING MISSING 48-HOUR NOTICES FOR PERIOD (1/29/2004-3/8/2004)

Bloom, Betty

02/03/2004

\$2,000.00

2004 Special Primary

Originally entered in our computer on 1/30/2004 so no 48 hour notice was filed. A duplicate was entered on 2/3/2004 which was

memoed. When the duplicate was discovered the earlier one was deleted and the latter "unmemoed" leaving the unreported entry as the one standing. I have corrected the date, which will be reflected on an amendment filed shortly.

Bloom, Betty

02/03/2004

\$2,000.00

2004 Special General

Originally entered in our computer on 1/30/2004 under James Bloom so no 48 hour notice was filed. A duplicate was entered on 2/3/2004. Both appear on the report. I have deleted the contribution from James Bloom and corrected the date on the contribution from Betty Bloom, which will be reflected on an amendment filed shortly.

Daugherty, Zella S.

02/13/2004

\$2,000.00

2004 Special General

This was memoed when it was originally entered and simultaneously entered under Bill Daugherty. Bill Daugherty's shows up on 48 Hour Notice FEC-108245. Because Bill Daugherty's last name is misspelled. I didn't notice the duplicate and "unmemoed" Zella Daugherty's contribution. The contribution should have been in Zella Daugherty's name as both names are on the check, but she signed it. I have deleted the Bill Daugherty contribution as will be reflected on the amendment filed shortly. Also, it should be Zella M. Daugherty. The S is Bill's middle initial.

Estrin, Robert

02/11/2004

\$1,000.01

2004 Special General

Although this contribution was received on February 11, it appears to have been entered into our database on March 13. It was

a credit card contribution from our web site and must not have been noticed during the 48 hour notice period.
